Dear Judge Wilkins,

My family and I have known Mr. Degnan and his family for well over a decade. I along with several of my family members have done business with Mr. Degnan's insurance agency for a number of years. In my experience with Mr. Degnan, he has consistently demonstrated honesty and professionalism at all times. I feel that Mr. Degnan operates his business with sound professional values, and is honest and straightforward in his dealings with clients. I also know that Mr. Degnan is a very caring and committed father to his three children.
